Greetings,

Congratulations on the opening of the 2022 ANBD regular exhibition.

Despite the difficult conditions of the COVID-19 pandemic, which has continued for three years around the world, we are glad that ANBD can hold the exhibition without stopping. In addition, despite the worst conditions, I would like to express my infinite gratitude to the artists of each region who submitted and the representatives of each region for their dedicated cooperation in holding the exhibition.

The ANBD started its first exhibition in Seoul, Tokyo, Tianjin and Taipei in 2008 and expanded to 10 Asian regions (Seoul, Tokyo, Tianjin, Taipei, Kuala Lumpur, Bangkok, Shanxi, Colombo, Tainan, and Shanghai) until this year, holding a total of 60 regular exhibitions.

Apart from the regular exhibition, we also held six special exhibitions, starting with Japan's Sapporo Special Exhibition, Munich in Germany, Colombo in Sri Lanka, Jeju Island in Korea, and this year's Phuket Special Exhibition.

The theme of the 2022 ANBD exhibition is Journey. The pandemic caused by Covid-19 has brought about not only different behaviors and habits but also changes in the social environment. But the changes that we find in our lives and social environments are not limited to pandemics. There's an idea in the East that change is a normal state. The world is always changing. We are always on the path of change, and the subject of the ANBD exhibition so far has been a valuable milestone. Through this theme, ANBD 2022 expects creations that express a journey to a new dimension in a broad sense triggered by culture, life change, sustainability of the social environment, and further creation and transformation.

This year, 228 artists from 7 regions submitted 912 creations (97 in Seoul, 48 in Bangkok, 33 in Tokyo, 18 in Taipei, 17 in Tainan, 13 in Kuala Lumpur, and 2 in Colombo).

Through exhibition activities, designers, painters, sculptors, photographers, and cultural planners who are active in design fields in Asia as well as art and culture are participating, and they are striving to create new values beyond the boundaries of all arts and various designs.

Finally, I would like to thank the exhibitors and representatives of each region once again for their hard work.

The Asia Network Beyond Design (ANBD) 2022 will be held at Tainan National University of the Arts (TNNUA), Taiwan, from November 1st to 8th, 2022. I would like to thank the association of ANBD for providing TNNUA with the opportunity to host the 14th annual exhibition this year. The Graduate Institute of Animation and Film Arts is very honored to be the organizer of this prestige exhibition and to make more efforts and contributions to promote Asian culture and creativity.

Since countries worldwide imposed pandemic measures of border restrictions, the normal functioning of the global market and economy has been affected. Covid-19 unexpectedly struck, and cities worldwide didn't know how to deal with this historical disaster. All sectors such as tourism, travel, transportation, public gatherings, hotels, restaurants, exhibitions, etc., suffered an unprecedented impact. The theme of ANBD 2022 is "Journey." In correspondence to the ANBD 2022 exhibition theme "Journey," two hundred twenty-eight international artists have successfully found creative ways of a new interpretation of the special significance and expression of "Journey," which are beyond the art, design, and a variety of charm and new values of Asia.

Our university is located in the southern part of Taiwan and is one of the most beautiful universities and is not far from the historical Tainan City. Our university is the perfect place to study and enjoy the arts with its rich culture and aesthetic values. As the president of TNNUA, I am pleased to welcome you to this year's exhibition and sincerely wish it will be a great success.

President  
Tainan National University of the Arts

The Taipei Office has held 13 exhibitions since 2008 and can deeply recognize that Asia Network Beyond Design (ANBD) provides a platform for Asian designers and scholars to exhibit and exchange their artworks. The value of Asian design comes from rich and diverse cultures, and the new design language is changing between the East and the West in Asia. All participants via their design works to define their culture, experience and themselves.

In 2022, ANBD Taipei will be held at the National Tainan University of the Arts from November to 1-8. We are very grateful to Professor Janaka Rajapakse for his support and assistance, so that all participants will have the opportunity to exchange with other designers through their works. Even under the influence of COVID-19, we can still learn from the artworks of participants.

The common theme of the 14th Asia Network Beyond Design is "Journey". Due to the impact of the COVID-19 epidemic, which has brought about many changes in our daily behaviors and habits, the world is constantly changing during the journey of our lives, especially the rapid changes in the social environment. Through this theme, we expect to express the continuity and change of culture and life, as well as the sustainable development of society and the environment.

Finally, I believe this exhibition will broaden the viewers' creative horizons in addition to communication. I hope ANBD will continue to grow in the future, surpassing and innovating from the participants' teaching, research and creation, and I sincerely wish this year's exhibition a great success.

I'm glad to be a jury member for the ANBD-2022 Excellent Awards this year. I was so happy to see that Asian creators used "Journey" as the theme to do many creative works. The artists of the selected creations put great effort into creating various techniques for different styles. The minimal colored drawings and the slow-paced experimental dynamic contents soothe us in the sense of journey. Finally, I would like to congratulate all award-winning creators.

經歷COVID-19的震撼之後，疫情的轉變猶如旅程中看似路的盡頭，其實是另一段未出現在地圖上的道路的開端。創作的過程何嘗不是磨盡一切後的淬鍊，尋求新的思想維度和生活態度。此次參展的作品正彰顯ANBD是個與時俱進的發表平台，創作者提出各自的見解，引領我們看到曙光即在不遠處。

The wide variety of artworks on display in this showcase provided a rich and varied interpretation of the exhibition theme, "Journey." Through carefully considered subject matter, imaginative expression, and astute use of medium and techniques, they enlighten and reflect the concepts of change, transition, and continuity. While some works directly describe the subject, others elicit questions and criticism.

The judge selected excellent works by prioritizing the theme exhibition, "Journey", during the Pandemic, and connecting with the artwork, which has an ideal composition and overall harmony. In addition, the judges evaluated the artist's aesthetics and creativity based on the color, form, and subject consciousness expressed in the work.

諸行無常とは、存在しているものは常に変化していることを意味しています。また「旅」とは、新しく訪れた土地の光を心の眼で感受することでもあります。そして、アートは日常とは異なる価値観を得るための手段の一つであり、その出会いは人や社会への関心をより豊かにしていきます。

'인생은 여정이다'라는 말처럼 우리는 삶 속에서 수많은 인연을 맺고, 새로운을 찾으며 배워갑니다. 2022 ANBD 주제가 'Journey' 이듯 각국의 다양한 작품들을 보며 그들의 생각과 삶을 느껴봅니다. 이 또한 경계를 넘어 다양한 교류를 지향하는 ANBD 취지와도 잘 어울린다고 생각합니다. 오랜 COVID-19로 모두가 힘든 시기를 보내고 있지만, 겨울이 가면 봄이 오듯 하루빨리 예전처럼 만나서 즐거운 자리를 함께 나누길 기원합니다.

ANBD 2022 : Theme

「Journey」

The covid-19 pandemic has brought us many changes in our daily behaviors and habits. It leads us to notice drastic changes in the social milieu, but changes do not necessarily happen only in pandemics. In the Orient, there has been an idea that change is the norm in life. The world is in constant flux, on a constant journey where we live a life. The past ANBD themes were key milestones for us. ANBD 2022 expects works that reflect the theme of journey, which would be a journey to another phase of life and society, inspired by the words like continuity and change in life and culture, sustainability of the social milieu, generation and transformation in a broad meaning, and so on.
