Message from **The President of the Chairperson of the International of Art, Design and Architecture Exhibition 2023**

The Faculty of Architecture and Design at Rajamangala University of Technology Rattanakosin has been organizing the International of Art, Design and Architecture Exhibition for three consecutive years. The exhibition serves as a vital platform for showcasing creativity, aesthetics and art. This year, the event is offering online training and seminars, as well as organizing the exhibition through a virtual reality program. These initiatives have significantly enriched the art and creativity circles.

From philosophical concepts to ethical and aesthetic principles, all artworks featured in this exhibition carry substantial importance. They foster the exchange of knowledge, principles, and creative processes by utilizing various methods to create such works ranging from high-level handcraft techniques to digital skills.

All artworks created hold value for society and contribute to the advancement of the academic community. These creative and aesthetic artworks also play a significant role in the academic career development.
