Aims and scope

Journal of China Tourism Research is an international journal of Tourism Studies (IACTS) and is now indexed in the Emerging Sources Citation Index (ESCI)!

Editorial board

Abstracting and indexing

Journal of China Tourism Research provides a rich forum for exchange of fresh information and ideas among academics and practitioners; fosters and enhances cutting-edge research activities that advance the knowledge of tourism; and discusses the relevance of tourism to Chinese society. The journal encourages

Publication details

interdisciplinary scholarship and commentaries, aims at the highest intellectual level, and only publishes manuscripts that make significant contributions to the subject areas.

Advertising information

Peer Review Integrity

All submitted manuscripts are subject to initial appraisal by the Editor, and, if found suitable for further consideration, to peer review by independent, anonymous expert referees. All peer review is double anonymized and submission is online via ScholarOne Manuscripts.

Journal metrics

Usage

- **62K** annual downloads/views

Aims and scope

Journal of China Tourism Research is a hybrid open access journal that is part of our [Open Select](#) publishing program, giving you the option to publish open access. Publishing open access means that your article will be free to access online immediately on publication,

Abstracting and indexing

Why choose open access?

Open access

Publication details

Increase the discoverability and readership of your article

Advertising information

Make an impact and reach new readers, not just those with easy access to a research library

Freely share your work with anyone, anywhere

Comply with funding mandates and meet the requirements of your institution, employer or funder

Rigorous peer review for every open access article

Article Publishing Charges (APC)

If you choose to publish open access in this journal you may be asked to pay an Article Publishing Charge (APC). You may be able to publish your article at no cost to yourself or with a reduced APC if your institution or research funder has an [open access agreement or membership](#) with Taylor & Francis.

If you choose not to publish Open Access in this journal, there is no Article Publishing Charge (APC).
