This work is inspired ' Forever in Our Hearts: Her Majesty Queen Sirikit The Queen Mother' for Pop Orchestra was inspired by Her Majesty's lifelong dedication to her people. Her royal initiatives, such as agricultural development, the 'Forest Loves Water' project, and the establishment of the SUPPORT Foundation to promote all branches of Thai arts and handicrafts, serve as the core inspiration.

The piece is arranged in a contemporary pop style, using simple, heartfelt language to describe the boundless love Her Majesty has for the Thai people, as well as the profound grief felt by the nation following her passing."

The composition integrates modern contemporary elements with a Pop Orchestra to achieve a rich and perfectly balanced emotional depth.
